*Here comes the setting sun,
The seasons are passing one by one;
So gather moments while you may,
Collect the dreams you dream today.*

TIOT 1979
NORWOOD SENIOR HIGH SCHOOL
NORWOOD, MASSACHUSETTS
VOLUME 41

NORWOOD HIGH SCHOOL LIBRARY

Nichols Street
Norwood, MA 02062

And tomorrow we might not be
together
I'm no prophet, I don't know
nature's ways.

So I'll try and see into your eyes
right now,
And stay right here, 'cause these
are the good old days.

Junior Prom Marriott Hotel March 31, 1978

It was a night to dance and laugh
... One of gowns and tuxedos
... A time to enjoy.

Good morning yesterday,
You wake up and time has slipped away,
The good times and the bad you've seen,
And all the others in between . . .

Remember . . .

Do you
remember?

Kiss today goodbye,
And point me toward tomorrow;
Wish me luck, the same to you
And I won't forget . . .

I am strong, I am invincible, . . .

Donny, do you get the feeling we're being watched?

Not another one of these boring speeches!

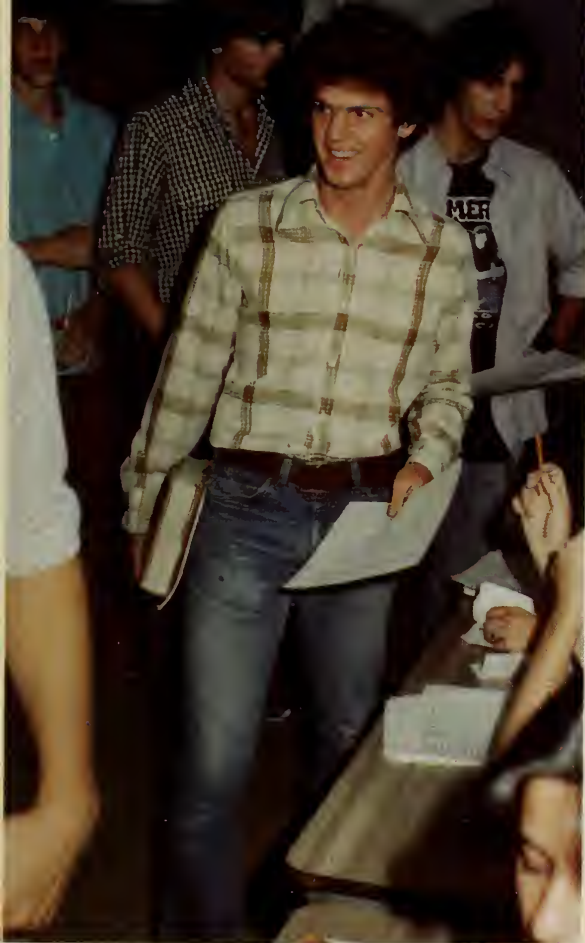

You want ME to be a cheerleader?

This is a first!

Around the school in '79

I'm a w-i-l-d and cr-a-zy guy!

Look out! Mr. Peterson's after me!

What do you say Walter, time for a haircut?

Who ever said football players don't cheat?

... but I hardly even know you!

Desiderata

Go placidly amid the noise and haste, and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly; and listen to others, even the dull and ignorant; they too have their story. Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans. Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. Be yourself. Especially do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass. Take kindly the counsel of years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not stress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself. You are a child of the universe, no less than the trees and the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul. With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

DEDICATION

Mr. Kenneth Nolet

Norwood High lost a very special person this year. Economics teacher and former basketball coach, Ken Nolet, died on January 16, 1979. His enthusiasm for this school and his love for his students and players made Mr. Nolet one of the best loved people ever to teach at Norwood High. We will miss the stories which he seemed to have for every occasion. We will miss his playing matchmaker at Senior Prom time. We will miss his genuine love for youth, probably best exemplified by his pet project, the Big Brother-Big Sister program at the high school. But most of all we will miss you, Mr. Nolet. You may be gone, but you will never be forgotten. Your spirit and love for this school and its students will never die. You have left us with all we could have asked for — beautiful memories. It is in your memory that we dedicate TIOT '79. We're going to miss you.

Love,

The Class of '79

JUNE 1979

TEACHER

RELLEVA LEADS LAUGH-A-THON

Mr. Wayne Relleva led a group of thirty students in an 82 hour, 52 minute Laugh-A-Thon for the benefit of the American Chemical Society. The students enjoyed such flicks as "The Dino Fiore Comedy and Physics Hour." Always a laugh a minute, Mr. Fiore kept the students in stitches with his now famous, "Gravitational effects on a 6g mass falling at 9.8 m/sec^2 ." Also Relleva (cont. p. 348)

OSTBERG HIDES PAST

Mrs. Ostberg, shown in police file photo, was not always a physical education teacher at Norwood High. Previous to this, she was said to have been involved in the Attendance Card Racket. It is believed that Ostberg would take the attendance cards and sell them on the black market for enormous prices to students who otherwise would have perced out of gym. Ostberg denies involvement but could not explain 6300 attendance cards found (cont. p. 308)

STATON MESMERIZES

Mrs. Delores Staton, Chairman of the Foreign Language Dept., mesmerized senior Rita Caulfield during a recent French lecture. Caulfield was rushed to the intensive care unit of Medfield State Hospital where she claimed she had, "just fallen asleep with my eyes open." Staton denied using hypnosis on her students to give the effect they are interested in her lectures. Staton has no past history of such behavior but (cont. p. 324)

JUNE 1979

HEGARTY HEARS TOO MUCH

An unnamed student was known to have bionic ears. It has been disclosed that the student is Anne Hegarty. Anne is capable of hearing up to 100 yards from her location. Anne is shown here, listening to the lunch ladies. Hegarty is quoted to have said, "It was extremely enlightening."

CIOLFI CHAMP

John Ciolfi has secretly been training for months to win the world record for the 79 yard strut. Ciolfi is shown taking his final steps, being encouraged by Coach Steve Salvatore. John set a new world record and has been transferred from a life of obscurity to super stardom. Ciolfi later said, "I'd like to thank all those little people who helped me on my way. They know who they are."

KRANT BOOKED

Janis Krant was apprehended by the police after they received this photo from an unknown source. Krant is shown receiving a one hundred dollar bet for Blackshow in the ninth from Karen Dobija. Janis explained, "It was only 'friendly' betting." She is looking for anyone who has any information concerning the identity of the photographer.

LIFE

June 1979

CHISHOLM TERMED "DANGEROUS"

Kim Chisholm was arrested today for assault and battery with intent to steal. It seems that Wendy Neiterman was walking down the stairs when Chisholm attacked her from behind in a vain attempt to steal her pocketbook. Chisholm was apprehended by a teacher, who said, "She is a dangerous young lady." Miss Chisholm is Co-Captain of the Girls' Basketball Team and is famous in the Bay State League for the way she can "steal" the ball from her opponents.

STUDENT SUFFERS ATTACK

Senior Patty Monihan suffered a brain attack recently in the main corridor. Immediately after this photo was taken, she collapsed to the ground. No one noticed the incident since most were late for class. The only comment came from the teacher who was supervising the hall at that moment. She said, "Get out of the hall unless you have a pass."

SENIOR CAUGHT BREAKING INTO LOCKERS

Kate Liston, shown here with friends, was caught breaking into lockers in Senior Hall. It is rumored that Liston stole only science books. Described as a real "Science Freak" by one of her friends, Liston used the books to get ahead of her class in studies. Mr. Relleva later called the act "disgusting" and said it must have been done by a "demented person." Liston could not be reached for comment.

MATH DEPARTMENT

In addition to traditional math, the math department offers college courses in Geometry, Algebra, Trigonometry, Calculus, and more. Since the addition of the computer a few years ago, students have increased their interests in the subject; and this year was no exception. This year the computer was moved to a new location where students continued to develop these interests. This is just another sign of the advancement taking place at NHS.

SCIENCE DEPARTMENT

The Science Department continues to grow, and the wide variety of courses offered for selection reflects the changes that have taken place over the years. Students can study the various sciences at both introductory and advanced levels. Whether a student is planning a career in science or is just interested in learning about the world, he can pursue his interests through the courses offered by the NHS Science Department.

ENGLISH DEPARTMENT

This year the English Department required seniors and juniors to take semester courses the first half of the year, while allowing them to elect term courses the second half. Senior classes studied such classics as Chaucer and Milton while the Juniors studied the likes of Poe and Hawthorne.

SOCIAL STUDIES DEPARTMENT

Social Studies at Norwood High is a diversified subject. The student is given the opportunity to discover and pursue his own interests. In addition, he is able to study such courses as Economics, Psychology, Sociology, Contemporary Problems, and Western Civilizations, not to mention American History.

BUSINESS DEPARTMENT

The Business Department offers many training and advanced courses. There are courses which prepare students for a career, as well as courses for students who do not wish to pursue business careers but desire fundamental skills.

FOREIGN LANGUAGE DEPARTMENT

Students at Norwood High are offered the following languages: French, German, Spanish, and Latin. Aided by the foreign language lab, the teachers strive to develop the student's ability to write and speak in the foreign language of his choice.

PHYSICAL EDUCATION DEPARTMENT

Many changes took place in the Physical Education Department this year. The big topic of conversation in September was the news that gym classes had been changed to three times a week. At first the students wondered how they would get through the change but now it is just another part of the routine at NHS.

Because of the addition of an extra day, more term selections were added. Students could be found doing anything from shooting baskets to dancing their way into a first place position in a disco contest. These various selections offered the students the chance to get involved while having a great time.

HOME ECONOMICS AND INDUSTRIAL ARTS DEPARTMENTS

These courses offer many opportunities for the student to develop himself as a responsible individual. Taking part in these classes allows the student to explore and to develop the creative abilities which will prepare him for life in the future.

ART DEPARTMENT

The Norwood Art Department offers students many opportunities to use their talents. Courses are offered for beginners, as well as for those who wish to pursue art in college. This year art students contributed to the beauty of the school by painting designs in several halls.

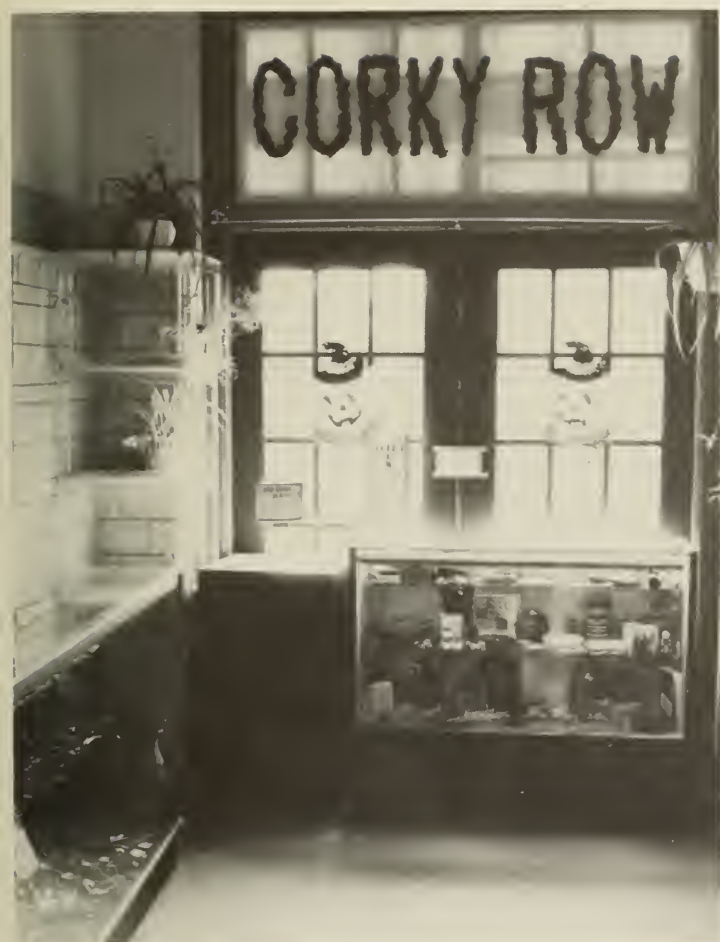

MUSIC DEPARTMENT

Norwood High's music department is probably the best in the state. Once again in '78-'79 our band won many awards; our choral groups also performed extremely well.

A DAY AT PEABODY

SOPHOMORES

JUNIORS

Best of friends,
Never part;
Best of fools
That loved forever
From the bottom
Of their hearts.
Say why pretend?
This is the end.

You'll have to find out
for yourself,
Go on ask somebody else.
Why can't you just
Get it through your head,
IT'S OVER,
IT'S OVER NOW!

SENATORS STOPPED

Senators Farrell, Cohen, and Palmer, close affiliates of Senator Blutarsky, are shown after their proposed amendment failed. They had hoped to lower the drinking age from 18 to 12 years, but they are not bitter. They still have high hopes for their new amendment to legalize marijuana. Senator Palmer explained, "I think, like, you know, we're destroying our environment, man; we might as well have a good time doing it." Senator Farrell added, "Ralphie is 100% correct, man; like, it's about time we realized we've got to be cool about these things." (cont. p.238)

WILSON CHAMPION

Fido T. Wilson has been selected "Senior of the Year." He is the son of Rags and Spot Wilson of 12 Milkbone Lane. Wilson is a member of the Fine Arts Magazine, the Ski Club, and the Chess Club. He is shown with his boy, John. Wilson said, "A dog without a boy is like a day without Liversnaps." Wilson plans to attend Harvard University in the Fall. (cont. p.244)

STUDENTS GATHER FOR LYNCHING

Morbid Norwood High Students recently gathered to witness the lynching of a local delinquent. Mr. Buscone explained that the action was taken due to excessive absence. The new policy is called "Percenting out of Life." One student commented, "Beats math." Mr. Buscone is pleased with the results. He said, "The new policy is very effective." He now plans to institute a new policy in which (cont. p.318)

Standing (Left to right): C. Mahan, N. Dunne, R. Caufield, R. Palmer, T. Lyons, C. Wong.

This year the Student Council sponsored several worthwhile activities. First and foremost we, the Student Council, worked for the Globe Santa Drive, which netted over \$700. In April the Council held Patriots Basketball Game which was enjoyed by all. Also, Council members visited nearby schools to exchange ideas with other Council members. All in all, Student Council had a good year.

TIOT

Throughout the year the TIOT staff worked long and hard hours in an attempt to capture the spirit and life of the Class of '79. "TIOT '79" is the compilation of those hours of tireless effort. We tried to express, through words and pictures, the thoughts, the memories, and the good times we have had here at Norwood High.

We would like to take this opportunity to thank Mrs. Patricia "Twinkle Toes" Ingraham, our advisor, and Mr. Charles Parker, our business advisor, for their help and guidance. But the big "thank you" goes to the staff themselves. Their cooperation and hard work are what made this yearbook great. We hope you enjoy this yearbook as much as we enjoyed creating it.

STUDENT SUSPENDED

A Norwood High School student was recently suspended after trying to nail his friend's head to the floor. The suspended student is shown here in Clie athletic suit, make-up and hair by Jojo. The victim is sporting a suit by Smithers, make-up by Pauline, and hair by Stevie Silvers. The victimizer explained his attack to reporters saying, "He just wouldn't listen to me. I got so frustrated I . . . I tried to bang it into him. He's so close-minded! I wanted him to have a mind opening experience."

BARRETT DANCES

Danny "Baryshnikov" Barrett has been selected from the entire 1978 Soccer Team to join The New York Ballet Company. Barrett is shown here doing a Grand Jeté in his interpretation of "Swan Lake." A fellow player commented, "When Danny gets out on the field, there's no stopping him. He just spellbinds the other players." Barrett can be seen next fall in New York, performing "The Nutcracker Suite."

GRADY A DEER

Carolyn Grady has won the 2nd Annual Deer Impersonation Contest. Grady is shown here in her style-winning form; her technique is said to be an offshoot of the world renowned deer imitator, John Doe. When asked to comment on her award Grady replied, "I've been practicing since age 7, and I'm really glad it paid off." The award consists of a White Stag ski jacket (color of her choosing), \$30 Deerskin Post gift certificate, and a lifetime subscription to *Wild Kingdom Magazine*.

FOOTBALL TEAM HAS WINNING SEASON

This year's football team was led to a respectable 6-4 record by Co-Captains, John Cioffi and Steve Salvatore. Linebacker John Collins was selected as team MVP, and lineman Mark Nardelli received the Defensive Bone Award. Many underclassmen saw action this year and should contribute to a strong Mustang team next year.

CHEERLEADERS ADOPT NEW APPROACH

This year the cheerleaders have taken a new approach toward their cheers. The girls went to camp and have adapted a dance style, rather than the old stiff arms method. The basic use of bounce is being pushed to strive for pep. The girls have put in many hours of practice time to coordinate their moves. This year's cheering coach is Gail Callahan, a true team supporter. Congratulations to a group of girls who did a great job both on and off the field! . . . Hey, it's cool, so get on down to our school; just jump and shake and perculate and get on down to our school!!

SOCCKER TEAM HAS REBUILDING YEAR

The '78 soccer team was unable to compile a winning record, but it had an important year. The team was plagued by injuries to several key players, which left spots in the lineup for less experienced underclassmen. The good feature of this is that we can anticipate a good season next year since many starters will be returning.

GIRLS' SWIM TEAM BEATS DEDHAM

This year's team was coached by Sharon Egan and finished with a record of 1-6. With only five returning seniors, we worked hard to beat Dedham in our last meet. The team was basically young with eight sophomores and no juniors. To next year's team: Good luck and a winning season.

NORWOOD GIRLS IMPROVE!

Since the start of the Girls' Soccer Team in 1976, the girls have worked long and hard. This year they achieved their winning record (6-3). With Tri-Captains Kelliher, Connolly, and Panzetta leading the way, the girls enjoyed a worthwhile season. Continued success to those juniors and sophomores of future Girls' Soccer Teams.

FIELD HOCKEY HAS BEST YEAR EVER!

The field hockey team had its first winning season this year. A record of 7-6-1 does not really show how hard the girls worked, for three of their losses were scores of 1 to 0. Captains Hickey and Devine have been on the varsity team for three years, and their leadership and hard work have shown in the team's improvement.

VOLLEYBALL TEAM GETS NEW COACH

This year's volleyball season began with a new coach, Mrs. Reilley. Under her direction and that of co-captains, Kathy McSweeney and Sandy Tosto, the team experienced a building year, highlighted by a big win in the final game against Dedham. Outstanding players were M.V.P., Sandy Tosto; and All-Star, Carolyn Grady. This year's team wishes the best of luck to next year's squad.

HOCKEY TEAM DISPLAYS TALENT

This year's hockey team displayed great sportsmanship and talent and tremendous class. It is by far hard to explain why there would be even one empty seat in the stands, for the girls were by far unique entertainment. Their overall record hides their great ability at skating. These girls didn't just play the game but worked hard together and demonstrated the true meaning of team. Good luck to the graduating seniors, who made up a large majority of the team. The girls would like to thank Mr. Clifford for all the good memories; he is an ace in all of their eyes.

BASKETBALL TEAM GETS NEW LOOK

The 1978-79 Mustang Basketball team took on a new look this season as first year coach Joe Johnson took the helm when the late Ken Nolet retired. The 'Stangs, led by Senior Tri-captains Kurt Krohto, Tom Munroe, and Bob Mahoney, compiled a 6-12 record. However, the record does not indicate the overall play of the team as they were in just about every game.

Season highlights included Bob Mahoney's being chosen as a Bay State League All-Star and a big two point win over arch-rival Dedham in the final game of the season.

The team would like to thank Bill McNamerra for his tireless work and wish Coach Johnson the best of luck in the future.

HOCKEY TEAM CAPTURES TITLE

The Norwood High Hockey Team had an excellent year, winning the Bay State League title with a record of 14-2-2. This was the second straight year Norwood brought home the title. Under the fine coaching of Don Wheeler, Tom Smelstor, and Al Crowell, the Mustangs made it to the Quarterfinals of the State Tournament in the Boston Garden. Seniors Tom Pickett, Ed Finn, Kevin Carey, and Juniors Bill Maher and Dan Finn, represented Norwood on this year's All-Star Team. Other fine performers were the following Seniors: Glenn Ghostlaw, Bob O'Brien, Mark Collins, Larry Eppolito, Bill Quigley, Scott Kinter, and John Collins.

INDOOR TRACK TEAM GOES UNDEFEATED

The Indoor Track Team went undefeated this season and clinched its third consecutive Bay State League title. The Mustangs again had to battle Dedham in the season's last meet for an undisputed league first place, and again they came through, winning 48-38. Three school records were broken this year by co-captains Andy Silletti in the 1000 yard run and Norm Johnston in the 300; and by junior Rich Ringler in the shot putt, earning them places on the Daily Transcript All-Star Team. Also chosen were Steve Salvatore, Tim Dunn, Dick Monbouquette and Coach Martinelli. High Scorer for the team was hurdler Aaron Brisette. The seniors leave to next year's team a 26 meet unbroken streak, a record that could not have come about without the leadership and friendship of coaches Martinelli and "Dash" Krupski.

people at work

Masoneilan International, Inc. is a leading manufacturer of automatic control valves.

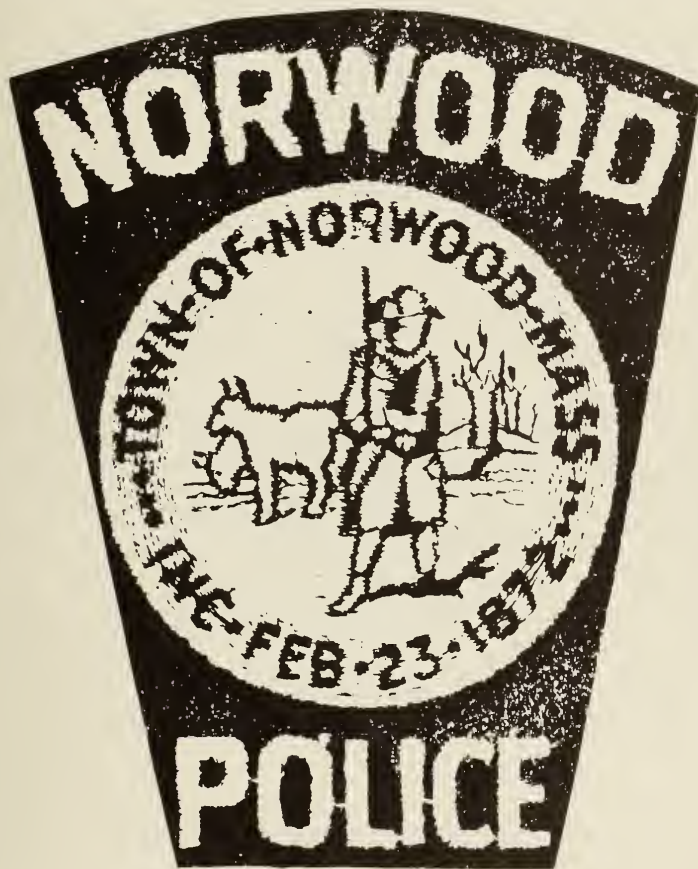

Every day, at the Norwood plant and Masoneilan facilities throughout the world, hundreds of control valves are manufactured for the process industries: chemical and petrochemical plants; power generating stations; and processing plants of every type.

Making these valves requires many different skills—engineering, drafting, machining, grinding, welding, accounting, marketing and customer services—to ensure that each valve provides long lasting, precision service.

FIREFIGHTER'S PRAYER

by James J. Medcalfe

When I am called to duty God . . . Wherever flames may rage . . . Give me the strength to save some life. Whatever be its age . . . Help me embrace a little child before it is too late . . . Or save an older person from . . . The horror of that fate . . . Enable me to be alert . . . And hear the weakest shout . . . And quickly and efficiently . . . To put the fire out . . . I want my calling and . . . To give the best in me . . . To guard my every neighbor and . . . protect his property . . . And if according to my fate . . . I am to lose my life . . . Please bless with Your protecting hand . . . My children and my wife.

AIN'T IT THE TRUTH IT'S THE DRIVER

It isn't the car that begins to whine when forced to stop at an old stop
sign — it's the driver.

It isn't the car that will take a drink then quickly lose its power to think
— it's the driver

It isn't the car that fails to heed the dangers of reckless, discourteous
speed — it's the driver.

It isn't the car that steps on the gas and causes an accident, trying to
pass — it's the driver.

A car may be bent and twisted awry, but it isn't the car that will have
to die — it's the driver.

Searchin' So Long

As my life goes on I believe
 Somehow something's changed,
 Something deep inside, a part of me.
 There's a strange new light in my eyes,
 Things I've never known,
 Changing my life, changing me:
 I've been searchin' so long
 To find an answer,
 Now I know my life has meaning.

Now I see myself as I am,
 Feeling very free.
 Life is everything it's meant to be.
 When my days have come to an end,
 I will understand what I left behind;
 Part of me.
 I've been searchin' so long
 To find an answer,
 Now I know my life has meaning.

Searchin' for an answer, to the question,
 Oh yeah, "Who am I?"
 Maybe it's true, it's only natural,
 Good things in life take a long time.
